APSSDC

[Live Demo](#)

- The responsive landing page for APSSDC, designed in Figma, boasts a modern, clean layout optimized for all devices.
- The design features engaging visuals and intuitive navigation to effectively highlight APSSDC's offerings.

COMPETANCY

Leetcode

karthik_saladi

- Solved 500+ Problems, Max Contest Rating : 1,813.

GeeksforGeeks

karthik_saladi

- Solved 400+ Problems, Max Contest Rating : 107.

CodeForces

karthik_saladi

- Pupil, Max. Rated: 1354.

CodeChef

karthik_saladi

- 2 Star, Max. Rated: 1673.

Hackerrank

karthik_saladi

- 6 Star in Problem Solving, 5 Star in C++ / JAVA / Python / SQL

CERTIFICATIONS

RedHat Certified System Administrator

from RedHat

- Validates ability to manage and configure Red Hat Enterprise Linux systems.

IT Specialist in HTML & CSS , Java, Python

from Certiport

- Certifies expertise and proficiency in these technologies.

CLASSES

Courses: Programming essentials in C, Advanced Programming in C++, AWS Academy Cloud Foundations
